Autodesk Maya 2010 Key serial number, where? They gave a serial number there 000-00000000 - question Autodesk AutoCAD 2006. Answer: Autodesk AutoCAD 2006 contains a lot of software for modeling various objects and creating 2D animation and visual effects. To work in them, you need the Autodesk Maya 2010 software package with the key included. It also includes programs: Autodesk 3ds Max 9 (for 3D modeling) and Autodesk 3ds Max Design 2009 (for creating and visualizing complex 3D projects). These software products are required to work with Maya 2010.
