

2021 marks the 25th anniversary of the Tomb Raider franchise and the original game released by Core Design. Look back on Lara Croft's legacy with the community throughout the year. In December 2019, Core Design announced that it was in development for a Tomb Raider game, but it has not been officially announced. In March 2020, Core Design announced that the game would not have a release date. In August, Core Design announced that it was in development for Tomb Raider, but that the game would not have a release date and that it would not be released. In July 2020, Core Design confirmed that it would not release Tomb Raider and that the game was in development from scratch.
