Category:Video game modsThe new logo, in use since January 2011, was introduced in the BBC news on Tuesday, November 27, 2010. It shows a line drawing of the BBC logo with the words 'News' in the top left and 'Drama' in the top right, and 'Science' on the bottom left and 'Literature' on the bottom right. [From the BBC News] – After the BBC saw a dramatic decline in the number of people watching TV news over the last five years, this year it has launched a bold new experiment – moving away from the traditional bulletin format to a more personalised, approach, aimed at getting more people to watch TV news. And it hopes to achieve this by getting more people to subscribe to the channel. With the launch on November 27 of "Channel 4 News", the BBC's second channel which broadcasts news 24 hours a day, seven days a week, it will move away from the traditional TV news bulletin format. The new format will see round-up news stories at the end of the day. Over the course of the week, each day will have its own news story in a dedicated slot, followed by a 20-minute science story, and in the evenings, a round-up and a science story. Each reporter will have a colour-coded area in the screen so viewers know which part of the screen will be dedicated to them. This "serve and share" approach will see stories be created, broadcast and written by teams in different regional newsrooms and then be shared with other regional newsrooms. The result will be a more personalised approach, aiming to give each viewer the news and 82138339de
