In the underworld, Lara Croft and her assistant Impa must find the legendary tomb of Osiris. Inside the tomb, Lara will encounter all-new enemies and puzzles that require non-stop action and brain power to solve. She must first retrieve the golden idol from the throne of the Sea King. In another room, she'll encounter creatures new to the Tomb, while in the grand throne room, Lara will face the dark ruler of the underworld himself. The game is a point-and-click puzzle-adventure game. Lara moves around the overworld, finds an object, and touches it to interact. She makes her way through 570a42141b
