Fury and Dawn series by RenÃ© Ahdi [EPUB + ZIP] â€¢ The Wrath & Dawn #1 â€¢ The Rose & the Dagger #2 - Stories - Fury and Dawn JUAN FREIMEN ANTON KLIMETSKY AND HENRY FOX ROBERT PRUDER KONRAD NARN and etc. FURY AND DAWN #1 annotation In the first days upon arrival on the planet, Hargan was literally killed by his ward Leira. He knew that before that they pulled the trigger in Arcadia and killed the heir, but did not yet know how long the killer would live.

Six years? Or even more? And if the memories come back earlier, in a matter of days? But all these days he will be silent, pretending not to know about Ida's death. And only when Hargan has no strength left to live, he will betray the secret. For the first time, he wouldn't have to pretend to the emperor. The boy, who became crippled, could no longer live in the body of a man, and he threw off the hated mask. In front of him now is only a boy in a human body who does not need any power. The resentment and rage of the old man in the body of a lone warrior, bloodied to the elbows, is still seething. And it is she who makes him make desperate attempts to take revenge, even after a couple of hundred years. But the emperor was not ready for what actually happened. For six years, someone else's fury has destroyed his country, and he has nothing more to lose. A shortcut to victory that doesn't exist. With the help of Ida, who connects with the ancient world, he will reveal the secrets of the past and the future, without waiting for them to return to him. But no matter how powerful his knowledge turned out to be, he will never come to terms with the betrayal of those whom he once made enemies. And even now, in a state close to death, he does not challenge those who failed him so many years ago. And he will do everything in his power to get revenge. BOOK ONE
