

Comments: 533. #1. Pepi (Thursday, April 05, 2012 6:47 pm), good post. # 2 . . â†’ . I'm just out. No matter how smart I am. I'm still stupid. Literally. And in general. I can not understand what I'm doing wrong? What am I doing wrong? I tried. I did everything I could! But why do I feel so bad? I don't even know what I feel for him, I don't feel anything. I don't feel anything at all. I feel bad, I feel really bad. And he doesn't care. It even hurts me. I do love him. And he doesn't give a damn about me... How terrible everything is. Why can't I forget it?
