Does it seem as if almost every website and magazine I read is talking about cosmetic surgery? I am pretty convinced that if we did not have our vanity in check, we would find ourselves in a world that is not really equipped to handle our cancer diagnoses, broken marriages, or life-threatening illnesses. According to the Mayo Clinic, cosmetic surgeries (also called plastic surgery, including dentistry, etc.) "are surgeries performed on a part of the body, such as the face, breasts, buttocks, legs, hands, feet, and ears, to alter its size, form, position, or appearance. Many of these procedures are performed to correct congenital disorders or to improve the appearance of normal features." Perhaps we should follow the wisdom of Cleopatra, who remarked, "You might not know it when you are born but you are never too old to get a face-lift." If we are not careful, the time will come when we no longer have the capacity to handle the tragedies of life, and our earthly lives will end tragically. That is what C.S. Lewis is talking about.Q: Inbound Link for every product type? Im using Liferay 6.2.1. Im trying to use an inbound link for every product that exists (clicking on the link should show the product of that type, sorted by price). But I do not know how to achieve this. I found a solution which involves two pages, one for products and one for product types. But that seems to be a lot of code. Is it possible to sort the products without a
