Now I want to link this.Q: Time to rollback the wrong one There is an user having 13% of our reputation because of a wrong answer, and I'm asking to rollback a bunch of comments which were deleted from that answer and which is in no way correct. I just want to rollback so that there is no more "wrong" reputation for that user. The answer is correct, in fact. We know that the reputation was lost because of a snitch comment for a language, and we're not sure of the user's intent in that (likely snitching). I checked the "reputation recalc" feature but this only rollsback the lost reputation, as far as I see. Is there a way to rollback the wrong reputation without deleting all the comment (other than deleting the user)? A: Correcting the answer is a good solution here, or at least that would have been the correct thing to do. You can use the recalculate button on the reputation tab for this. As a follow-up, the user has lost 13 reputation on this answer, and it's been restored. I have restored the reputation to the point where it should have been in the first place, and also removed the other reputation gained from the deleted comments.
