error There's an error in my code, it's something about definition of the class and method, "argument type mismatch", and "method addOfOne should return int type". But I'm not able to find it, it's probably really simple, yet no idea what it is.

```
public class Array4 {
public static void main(String[] args) { int[] intArr = new
int[4]; String[] stringArr = new String[4]; method(intArr,
    "1", intArr, stringArr); method(intArr, stringArr,
    stringArr); } public static void method(int[] intArr, int
theFirstOperand, int[] newValue, String[] newValues) {
    int theFirstOperand = intArr[0];

Harun ghulam, the doctor of a leper colony, who is suffering from a shivering dysentery, has sent a report to the zamindar who has made him his in-house doctor. He confesses that harun ghulam was the reason behind the death of sthirakala, the boy who was confined to the hospital. when the zamindar requests them to check whether ragging had taken place or not, the doctors confront mohankatta. kriti and addi open fire on him and rout him from the hospital. salim, who has become a doctor as a result of medic school, gets attracted to kriti, but she is also in love with karunakar, the assistant to mohankatta. their opposing loyalties and their corruption investigation against the health minister imulai, leaves salim, a hero of health, free to choose kriti. kriti, in due course of time, marries him and starts a successful career as a doctor herself. salim, on the

other hand, gets caught in the messy truth behind the death of sthirakala. On the other hand, mohankatta is disillusioned with his son, karunakar, for being a part of the medicine mafia and makes it clear to his son that he should not follow his footsteps. when his operation begins, he is denied the necessary medical help by the local gang, who now hold the seat of power. after a few attempts, he realizes that he is stranded and makes his way out to the city. at this time, the health minister has also been arrested by the CBI after all the corruption charges were proved true. while she is held in custody, a devastated shekar, the chief minister, is dealt with a heart attack. now, the board of directors has been divided and the minister is on her way to be released on bail. the hearings will continue in the court after she is released. the board is now considered to be a self-perpetuating body, since no new members have joined it since the death of the minister. although shekar was half-heartedly participating in the scams, when the arrest came, his health took a hit. till the time this story is being narrated, he has not been able to take up the reins of power. this will be the source of his downfall. Now back to the story, mohankatta is comfortable enough e79caf774b

The results of a long-term epidemiological monitoring of Ixodidae (ticks) is reported. They were based on their examination for rickettsiae by means of serological tests: the ELISA and IFA tests. The material included 548 ticks (*Dermacentor reticulatus*, *Haemaphysalis concinna*, *Haemaphysalis punctata*, *Ixodes ricinus*, *Hyalomma marginatum*, *Rhipicephalus bursa*) collected in the area of Bydgoszcz (Pomerania, Poland). Sera of 93 patients (chickens, cattle, sheep, goats, dogs, horses, pigs, rodents) were also screened. The ELISA test in IFA test was performed using commercially available kits. According to ELISA, IgG antibodies were found in sera of 10.2% of humans and 65.4% of animals. Sera of 14.3% of patients indicated no antibodies against *Rickettsia conorii*, despite positive result of IFA and ELISA (IgM); in this group of ser
