Free software for Mac OS X. For support and other inquiries visit our official website www.easynefconverter.com Support our project by doing affiliate business. Visit our company site for more information: — How Obama's Side Lost the Southern Strategy Progressive blog DailyKos provides a rundown of the failed efforts to court Southern conservatives: What's a few more years of Obama?Republicans originally planned to avoid having another bruising presidential campaign in 2012 by nominating a statesman like John McCain, who could bring conservative issues to the fore. They picked up at least 46 House seats, the House of Representatives, with a landslide in the mountain West, the South, and the New England strongholds of the upper Midwest. They scored more than 40 wins in key states that had been reliably Democratic for decades, from Virginia to Maine. What's a few more years of Obama?Republicans originally planned to avoid having another bruising presidential campaign in 2012 by nominating a statesman like John McCain, who could bring conservative issues to the fore. They picked up at least 46 House seats, the House of Representatives, with a landslide in the mountain West, the South, and the New England strongholds of the upper Midwest. They scored more than 40 wins in key states that had been reliably Democratic for decades, from Virginia to Maine. They won these battleground states by starkly appealing to a mass exodus from Obama last fall, turning the Senate into a Republican dream for the next two years, and making the House a political dream for conservative Democrats. But those didn't happen, and in November they had to
