“The two games, Kingdom Come and Tarnished, will be released at the same time.” The fantasy action RPG Kingdom Come by Sword Art Online and the RPG Tarnished by FINAL FANTASY will be released simultaneously worldwide on the 25th of March 2020. The new fantasy action RPG Kingdom Come from Freezing Games (previously known as SuperFantasy) is a high-quality action RPG set in an Age of Lost with an emphasis on seamless online play. Features include a fantastic fantasy setting, an extensive story, and combat that has a variety of possibilities and a sharp sense of the environment. We have been talking about the new fantasy action RPG Kingdom Come for a long time. If you have been expecting something splendid and exciting from us, we are pleased to say that we have delivered. · Overview Vast World and Established Story Setting Kingdom Come is a game that has been in development for a while in the background, and in many ways it is the result of the experience we have gained while making games like Sword Art Online. It is a game in which the world as well as the story have been established in advance, but also a game in which those established components allow players to experience a vast, imaginative world. In Kingdom Come, players will get to know the world where the Kingdom Collapse story takes place through various locations and characters. For example, one of the large cities has become a place where people live and work, while the other city has a world with a different atmosphere from that of the city. The network of locations and characters from the game provides a sense of complexity, which is a strength of Kingdom Come. The world is a good-looking and detailed fantasy world, with an alluring environment. It also draws you in as you follow the story. You can also feel the ebb and flow of the atmosphere and experience the excitement of living in a dangerous world, as you progress through the game. The game follows the Kingdom Collapse story as events transpire in the Lands Between, which is a world with many possibilities and opportunities. Expect a Story with a Strong Narrative Power Many people might compare Kingdom Come to FINAL FANTASY, but it has distinct differences in setting. The game is set in the Lands Between, a world in which the Christian Church is entombed and the world continues
