Mongolia is a vast country full of people and natural wonders. There exists a lawless land in the west where savage beasts invade and ravage the villages. One day, a prince named Tarnished Daou, with the help of his disciple Kai, is drawn into this realm by the spiritual power of the Valheru, but he soon becomes embroiled in a dispute. Fate has led him to this epic quest, and from the moment that he enters this strange land, he receives a mysterious letter that reveals a conspiracy - and an eternal promise of power. The letter draws Tarnished to an empty country to the south of Mongolia, but as he travels to this legendary land, he is joined by Kai, who is also aware of the letter and the power to be found here. Together, they form a heroic partnership and set out on a journey to discover their destiny.

Description from Google Play:

Fight epic battles in a fantasy setting where your character can master a cast of powerful magic in their quest for the biggest ring in the world. Choose between being a Sword or a Wizard, slay your foes while masterfully choosing your spells or go sword-for-sword against numerous enemies. If your offense seems woeful, get out of the way and use your many defense abilities as wasps, lucky cat and much more. Build your card library to muscle your foes and learn powerful attacks and instantly recover from your opponent's attacks. Grow in strength and level up to become a Champion or a Great Hero as you uncover the secrets of the Lands Between.

This is the breakthrough game of Sword & Wizard, and a highly anticipated sequel to the action RPG smash hit:

Are you a curious swordsman? Or an arcane spellcaster bent on destruction? Are you rooting to be a great Hero in this brand new fantasy world? Then you will love creating and defeating monsters in epic, online card and strategy battles with your allies in a vast world of adventure and a fictional realm of romance and fantasy.

What's new in Elden Ring:

The game's free to download, but a user will need to pay to play battles on the same team. The Details are as follow:

***Battle System: Token Battle Action**

- All-Round Selection of Characters/Races**
- Challenging battle against monsters/nPCs**
- All-Round selection of Equipment: Wield a variety of weapons/armor with enhanced special abilities**
- All-Round ability to create own character**

*** You must pay for the "Upgrade System" to be able to call an on-screen partner to assist you in the same battle, no matter if it is on the same team or not**

— In other words, if you buy the "Upgrade System", you can enjoy the same battle with a powerful partner in a team battle. Even if you are not on the same team, it can be easier.
