At the beginning of the start of the world, the mysterious Forest God was born. Reaching the peak of glory, he was attacked by an unknown monster, and left for dead. At the moment of his death, his story was brought to life. Amidst the despair and distress of the world, a great change came over a young man with blazing red eyes. He was able to become the Forest God reborn and rise to glory. However, as he was still too young to wield any sort of great power, he had no choice but to take on the role of a gentle guide to the ruler of the world. While spreading his wisdom, the young man gradually revived and awakened the abandoned temples of the Gods. Now, the entire world, which had been swallowed by a bleak darkness, is slowly returning to light. Character creation Procedure 1. Select a character's gender. 2. Select a character's name. 3. Elden Ring Features Key:

Online Survival Action RPG
Fancy Card Battle System
Battle Royale PvP Mode
Berserk Mode in Campaign Mode

Shared World between Multiplayer and Offline

1.) Online Survival Action RPG

A huge fantasy RPG in which you can freely customize your character. Starting with the region and character class, choose your class and weapons. You can equip primary weapons, items, spells, and companions. The world in which you travel is vast, and you can make a magnificent journey by interacting with other players and the various inhabitants. Exploring the world is also a part of the game, and you can find a variety of combat scenarios in places such as a mine, ocean, forest, and castle.

2. Fancy Card Battle System

Conventional card battles are still found in this game. With the fancy card battle system, however, you can command a huge number of cards at the same time. Meet powerful foes and characters in a miniature world and command cards to achieve strategy.

3. Battle Royale PvP Mode

This feature compels you to battle to the death using your customizable character. Travelers around the world go to the same place through the neutral plane, Netherly Cartography, where they are matched up in turn-based battles. Then, players are obliged to compete for survival in the ranked battle through to the end.

4. Berserk Mode in Campaign Mode

With the Berserk Mode, you can start a frighteningly difficult arena battle to the death with enemies using weapons and magic that are stronger than those available during the normal gameplay. You can find and search the world by finding familiar spots, such as the towns and castles. And there are also monsters in the world. As long as you desire, you can challenge and beat them using a party of warriors.

5. Shared World Between Multiplayer and Offline

A world seamlessly connected with many other worlds. When

Role of glycolysis in regulating cancer cell apoptosis. It was previously reported that apoptosis is controlled by energy metabolism in cancer cells and that glucose starvation (GS) induces apoptosis in many cancer cell types through a mechanism that is mediated by the increase in intracellular reactive oxygen species (ROS). In this study, we found that 3-bromopyruvate (3BP), an inhibitor of glycoly
