#### Features Key:

An Epic Fantasy Action RPG: An action-RPG based on the "**Gate**" **original story of the light of Elden**. Craft and develop your character according to your play style to participate in this epic battle of gods. The all-out battles that define this fantasy action-RPG will make you feel like a real hero.

A Stone-Filled Game: Castled high in an area where a mountain region meets a cliffside, you start your journey with a stone-furnished castle as your base of operations. Together with the inhabitants of the town, you explore the vast world and live through a dramatic story. You will find dungeons with compelling dungeons with three-dimensional design, new types of items such as furs and tent spikes, and even quarries that have the unique ability to change the environment. During the day, you can also give orders at the Church to get the conditions and locations for your daily quests.

Multiple Classes: Up to 8 classes, each with 3 skill classes, 9 different types of light and heavy weapons, and 15 types of defensive and offensive armor. Additionally, there are 13 types of magic to select from. The variety of classes gives you the freedom to choose your play style by your own way.

Visual Effects: Offering a variety of anime, unique dark graphics, animated character portraits, and tragic effects such as thunderous sounds, you will experience a more polished visual effect as you become a hero in the world of the Elden Ring.

The Living Environment: Castle, town, fens, forests, and towns grow and evolve, allowing the living environment to be determined by each individual. If you are an outdoorsman, you will feel a sense of admiration for the chaos in the natural environment, while if you are a city dweller, you can feel the difference between the proud stone of the city and the calm winds of the forest.

Xiaozhu Formation: The entire game development team includes veterans of Rockman and Mega Man, and they have created a realistic scenario in which swordsman, warriors, and at times even traps are loaded in a seamless order. Remember, being a hero is the weapons but the warrior is the power. As you make a huge improvement in the skills of the Warrior, you will become an inspiration to people.
