Features Key:

Character Modification: Change your looks of your character. In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.

Unique Online Battling System A unique commanding system for online players, which allows you to have a better idea of what your opponent is doing. In addition to enabling PvP action and asynchronous online play, the following aspects have also been taken into account: - Focus on ensuring the strategic effectiveness of each character - Paired PvP with friends / counterattack with your allies

Unique Turn-Based Battle System A system to play out a single turn during each split battle. During this time, each character can have a turn to act. - Important decisions are resolved in "turn" by giving commands to your party. Also, your party's movements, attacks, and heals will be prioritized during a "turn".

Unique Stat, Status, and Health System A system where "Stat" corresponds to the value of the character's statistics such as strength and endurance. If a stat is below the default stat then there is a certain amount of "health loss" for that stat.

An Epic Drama, based on a Multilayered Story A multilayered story about the conflict of numerous factions and settlements, told in fragments.

Playable on PC, PS4, Nintendo Switch, and Xbox One. -Taichi, IGN "Tarnished is stunning, both in terms of its production values and the many new gameplay features that it brings to the table." "Every corner of the game oozes with charm, from the bright and colorful environments to the wonderful and witty dialogue to the singing and dancing of the bizarre Ragu race. While the game doesn't follow strict traditional turn-based gameplay, it is understandable even for newcomers of the genre, thanks to its easy mechanics and intuitive menu system. The soundtrack is absolutely wonderful, and the singing and dance of the Ragu race are truly one of a kind in the genre." "Gameplay wise, it's the perfect blend of familiarity with new concepts and mechanics and the playability is simply beyond anything I've encountered before." "The game's story is striking and absorbing and I find myself falling in love with each of the characters who you meet as you go from one location to the next." "I love everything about it." "Tarnished is certainly a game that's for everyone, and I highly recommend it if you're at all interested in the genre." "If you love JRPGs, then Tarnished is certainly worth giving a go." "It's hard to find fault with anything about Tarnished. From its aesthetics to the rhythm of its combat, it's just a high quality game that holds together through its expert level of polish and incredible sense of style. It's a standout title." "Tarnished is one of the more visually appealing JRPGs that I've played in recent memory. It also has some of the most memorable characters in the genre." "It's a game that has consistently remained engaging throughout its lengthy campaign, and it all comes together in a satisfactory fashion that's probably the highlight of the PS4 JRPG." "Tarnished is easily one of the best JRPGs I've played all year." "In fact, Tarnished is a standout JRPG experience bff6bb2d33
