Support the software developers. # Introduction Elden Ring is a new fantasy action RPG of Falcom Co., Ltd. that tells the story of a battle-worn Elden Lord seeking to return home. Elden Ring was developed with Falcom's accumulated knowledge and experience as the RPG developer of the past and the newest and the finest in the world in terms of FFXIII. Elden Ring is an RPG that offers an unprecedented level of freedom. It allows you to build your own character, and your job is to create your own destiny by following your instinct. The world of Elden Ring is a single vast world. It is a place where paths cross and unexpected connections occur, for this is a land where the danger lies in connection. Elden Ring is full of mystery and keeps you guessing. The most reliable way of exploration is to invite the other members of your party to go along. The game is full of traces of the other's existence, and those who are wiser and stronger will be able to read the traces. It will lead you to the way of the truth. It is a game where you want to risk everything. The world of Elden Ring has many things beyond your understanding. You will find yourself in places that you can't understand at first glance. You'll encounter cunning people who can only be beheaded with the Sword of End; stray adventurers who can be a source of temporary influence; and strange creatures that give no indication that they are humans. A journey to an unknown land begins with you. The deeper you get into the game, the more interesting and unprecedented the adventure becomes. You will be able to enjoy a large-scale fantasy world that combines the distinctive charm of the video game with the suspense of a novel. Features: New fantasy action RPG with many players An unprecedented level of freedom Character creation system where you can freely combine the weapons, armor and magic A world full of excitement and danger An adventure with different-sized challenges Your own adventure with your unique path A wonderfully scripted story that unfolds just for you Find the Truth about the Elden Ring A journey to an unknown land begins with you. The deeper you get into the game, the**
