【Game Play】 ▶ Story Mode: A Multilayered Story Told in Fragments There are a number of characters that can be selected from a large pool of candidates, and their stories intertwine across multiple maps. In addition to the story of a specific character, you will acquire new allies as you explore the world and fight alongside them. As the story progresses, a variety of new endings will be unlocked, and you will gradually become the hero who can take on the greatest challenge. ▶ Action RPG with a Strong Dungeoneering Element At the beginning of the game, you'll be able to select various elements for your character, and there are various methods of customization that you'll be able to use in various ways. Whether you play as a tank or healer, or whether you are a white mage or elementalist, you can feel the thrill of bringing chaos to enemies using a variety of different skills. ▶ The Continuation of the Series with an Evolving Story As the party leader, you'll be able to coordinate and evolve your allies, using their skills and equipping various items. In addition, as your grasp on the world of Elden deepens, you will acquire new skills and various traits. ▶ Multilayer Online Battles There is a large network of online battles that allows you to challenge hundreds of players at once. In this online battle system, you can select a specific map and attack at the same time as your opponent. You can get a feel for the situation you are facing, and you can initiate strategies using your knowledge. ▶ Dream and Reality Meet If you are defeated in the online battle, you will receive EXP as well as items to use in battle, so you will slowly grow in power. At the same time, if you collect the EXP, you can obtain what you call a "Dream". These Dreams are collected by your character, and they will eventually become "Reality" that will be useful in battle. ▶ Original System with Over 10,000 Unique Skills Whether you are a strong tank or healer, or whether you are a wizard or elementalist, you can feel the thrill of bringing chaos to enemies using a variety of skills. You can easily change your play style as you gain new skills. ▶ Unique System that Ensures Prompt Exploration and Development Using the knowledge you have gained in battles, you can freely expand your realm and
