**Requirements the ideas they have got about the Bible. As one of the very many speakers emphasized that “the Bible is the word of God (even if we use a translation. And one of the greatest problems of many modern scholars is that it is either too big or too small”. (The translator was a speaker as well. So, from now on let us hope that more of his Bible translations come out.) The main idea presented by the speakers was that the God of the Bible and its primary source is a good, merciful and loving God. But also the God of the Bible is with us also in a critical moment like the current ecological, financial, economical and social crisis. In the light of the Scriptures (prophetically) we can see God will act for us and not only with us. The God of the Bible cares and has got answers: The Bible says: I will bless those who bless you and curse those who curse you. The God of the Bible cares also about the people who have been lost since the beginning of the church. We know that most people today have never read the Bible. We do not know at all what is inside it. This does not mean that the Bible is not ‘the word of God’ but it does not mean that it knows everything we need to know about God, heaven, and hell. ‘The Bible contains all we need to know about God (theology) but it is not God who has defined what we need to**
