It has campuses and business centers in the provinces of Hebei, Shandong, Henan and Jiangsu. The Chinese Ministry of Education made it the first among non-key universities in China to be sanctioned in 2006, and it also was listed as the third-richest university by the Hurun Report in 2013. The university began developing its first satellite campus in Dalian in the northeastern Liaoning Province in November 1995 and it relocated to Pingye District in 2014. It was the first-ever economic university located in a Free Trade Zone (FTZ) in China. In 2004, it opened its 50th branch in Linyi in Shandong, for which it established the new Education College of
