[Teaser] Fantasy Action RPG Tarnished: Gameplay [Ed. Note: This page is under construction. It will be complete after the main gameplay pages have been updated.] System - As the game's title implies, Tarnished is a role-playing game. As you play, the world of Tarnished will be in progress and advance as you experience it. - The game will be played in real-time and not turn-based. In other words, you can take in the changes one by one. You can enjoy the experience of playing the game one turn at a time. - Other than combat, there is no action to be done in real time. Your character will not move. Only the screen will be updated. - The camera angles for the screen update will be provided by the graphics engine of the game. Due to the large number of characters, it may not always be possible to use 360° views. Classes Elden - Elite warriors with potent weapons and high-end armor. - Those who have mastered the combination of noble and evil. - Who can bring the entire glory of the Elden Ring! - Tarnished warriors like you are special beings that live in the world of Tarnished, so some kind of fantasy is contained in the game. However, Tarnished is not just a fantasy role-playing game. - The strength of your weapons and armor depends on your class. - The amount of movement will also depend on the class. -
