And if you liked the video and/or the content please leave a like and subscribe for future videos..Sex difference in the effect of brain damage on the emotional and behavioral manifestation of stroke.

To investigate the effect of brain damage on the emotional and behavioral manifestation of stroke, we asked 39 stroke patients with left hemispheric lesion to complete a neuropsychological test battery and a measure of depression, anxiety and fatigue. Then the patients were classified on the basis of their performance on these tests as either 'lesiontypical' or 'atyp
