Description: This screensaver is filled with Animations, Simulations, Music, Images, Textures, Sounds and Effects. Some of the main features of this screensaver is the following: If you wonder how many screensavers can be out there, the more the merrier. In fact, as you may guess, the more screen space, more information and more objects are on a screen, the more complex, cool and attractive a screensaver will be. And with this screensaver, I can assure you that you will not be disappointed. Coming in the form of three separate clipart video/picture slide shows, all you have to do is watch them for about 5 minutes and enjoy the beauty of these pictures and sounds. I have placed these images and
