### **What's New In Lorem Ipsum Generator?**

This extension contains a web page for generating dummy text to be used in the context of The Web. Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum. Last update V 1.0a11 What's new 3 March 2011 \* added Romanian, French, Serbian, Slovenian, Persian, Russian, Chinese, Italian and English languages FAQ \* Is it only pre-defined words? We load pre-existing dummy text from English Wikipedia, and we will update it in a near future. \* What's the process? The process is straightforward. We just scrape the text and convert it into HTML. \* Why do you need this extension for web designers? Simple. Most of the time, at the moment we are asked for dummy text for websites, we do not have the exact words. Sometimes we need them. It is never a problem to write the text manually. It's just time consuming. \* Do you need to generate a Lorem Ipsum file everytime? You can save the
