important issues or questions facing the profession of nursing? In an era when the amount of communication among health care organizations is extensive and nurses are beginning to work with "outside" agencies, perhaps the time has come for all nurses to re-examine the process of nursing practice and research. Let's go where no book has gone before. This is a selective review of other societies' definitions of essential, core, and related but distinctive competencies. I have a hostname with a FQDN and I would like to send email messages via mailq. The FQDN maps to a secondary host in the domain. I have used the following email relay settings in postfix. The configuration file is located in `/etc/postfix/main.cf` relayhost
