However, when I go to the "My Experience" page on Careers, I don't see the new career. If I do, I get a message saying that the experience does not exist yet, and that when it does I will get an email notification. Is this a glitch? EDIT : When I open the "My Experience" page on Careers, I see this: However, when I go to this URL : it says: Archive unavailable A: This was a bug in the API. There are now jobs in the pipeline so the feature should be restored shortly. Thanks for the report! Welcome to the ShowRoom Update Blog! We'd like to tell you a little bit about who we are and what we do. This blog is our outlet to let you know what we're working on, and what's in the pipeline. We're about much more than a career in freelance web development, and we want to open ourselves up and be more transparent about what we do, and how it can benefit you. In this first post, we're going to introduce you to our marketing team, and give you a behind the scenes look at what they're up to. Next up we'll give you a peek at our web development team, and the projects they're currently working on.Q: Нарисовать закругленную линию с фоном с градиентом Нужно нарисовать закругленную линию с градие
