DownloadÂ .Family Members Did You Know? Henry de la Rochefoucauld was a French poet, essayist, and politician. He earned the enmity of Pope Gregory X for his satire of churchmen, and he died a prisoner in England. He was the father of the French historian and philosopher, François de La Rochefoucauld. Early years Henry de la Rochefoucauld was born in the town of Rouen in the province of Normandy, in France, in 1255. He was the only son of Count Gilles de la Rochefoucauld, who was a member of the House of La Rochefoucauld, and Jeanne, daughter of the duc de Ponthieu. In 1276, after the defeat of the French nobleman Simon de Montfort at the Battle of Lewes, Henry, at the age of ten, fled to England with his family. Little is known about this period of Henry's life; he is said to have spent his time learning English, reading, and writing poetry. Education Henry's early education was in the tradition of the Franciscan order. He was brought up in the household of Simon de Montfort, who was Lord of Gisors and Suresnes, a town in Picardy, and married the daughter of Peter of Saint-Léon. Henry and Simon's daughter, Isabella, became Queen of England; Henry died with Simon in the midst of the Peasants' War. In 1296, Henry was sent to Paris to complete his education. He received further training in theology at the University of Paris, earning his bachelor's degree in law in 1302. He then went to Montpellier to study at the University of Toulouse. After two years there, he went back to Paris to pursue further studies at
