THE NEW FANTASY ACTION RPG. Rise, Tarnished,

---

and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement

A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. •

Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands

---

Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. ### **Elden Ring Crack +**

The following are the gameplay parts of ELDEN RING. We expect that this will be improved over time. We would be grateful if you use this as a reference to understand the current status of the game. ■Action RPG Engine ■Action Game Style The game is constructed in a pseudo-action RPG style. You can freely control the character while participating in battles, with the pressing of the buttons in the on-screen display. ■Battle System You can freely control

---

the movement and attacks of the character. You can also interact with the physical objects of the world while fighting. ■ Arcane Battle: Attack with various Arcane forms. Fighting styles are called “Arcane Styles”, and they can be changed from the menu. - Drag down on the enemy and press the attack button to execute an Explosion. - The first press of the attack button is a simple attack. - The second press of the attack button is an arrow that points at a single point. - The third press of the attack button can be used to perform a quick directional leap. - When the attack button is released during any of these states, it returns you to the previous state. ■ Unique Movement System In order to enable the player to move around freely while battling, the movement of the character can be freely decided by the player. This does not apply to the second item, such as tools and equipment. These items can be equipped with the items of the Equipment Slots. - Drag down on the

---

ground to perform jumps. - Press the jump button to perform a vertical jump. The player can learn the motion and mobility of the character while jumping.

- Flexible Player Direction and Battle In the game, there are various situations that you can get into, but the player should not be restricted by these. With this in mind, we have tried to create a system that enables the player to freely control the direction and the actions of the character.
- 1-4 Players The game can be played by up to 4 players.
- Level Play and Collect - Level Play (up to 20 levels) After defeating the enemies and obtaining certain levels, you can proceed to the next level. The number of levels increases with each level, and the goal of the player is to obtain

### **What's new:**

**VAST WORLD FULL OF EXCITEMENT**

---

**Experience a first-rate design of the Lands Between in this game. Combine a vast world with open-ended levels, diverse and dynamic dungeons with intricate designs, and straightforward combat, thereby presenting the exhilaration of a wide variety of actions and a well-structured system.**

**Vast field. Open-ended. Three-dimensional dungeons. A first-rate interface. Simple combat. Fragmentary story in a multilayered world. · Open-ended. □Exciting story. □Open-ended and epic. □The Lands Between are overflowing with adventure. □A vast world. □A dynamic battle field.**

**GET PICKED UP BY AN ENEMY? SEND POSSIBLE HOSTILE PARTNERS! And welcome to the Land Between. Fight alongside allies while sending your mighty party members to the world above, thereby turning a target into a possible member of your team.**

## **ENJOIING ONLINE PLAY**

**The online play features asynchronous online capabilities that allow you to enjoy a high sense of community and feel the presence of others. The game also supports chat and easy character creation. Follow the story of the Taliad on**

---

**your way to becoming a champion.**

**Utilize #TeamTal and the feature #TeamTalOffline to strike a vital blow to those unfaithful to the Taliad. Seek out any players logged in, and join their game to see thrilling conversations and battles in the local area.**

**Rise to Battle! Unite in the Taliad, Become One with the Land.**

**In this fantasy action RPG, you step into the shoes of Tarnished, a young warrior who has been exiled from his homeland by a rival tribe. Soon, you find yourself following someone within the tribe, a tribal elder who has been suddenly claimed as a god. As fate would have it, you are chosen as the child of a god to be his successor. Now, the god has chosen you to save your country!**

**Erode the barrier that separates the living from the gods. Join the**
