Features Key:

A Dynamic System that Evolves as You Fight + Challenge the gods Life and death are perpetually reflected in the various physical and magical

systems of the World: the more you work, the more you gain strength; the more you gain strength, the bigger the damage you inflict; the more you inflict damage, the faster you are killed; the faster you are killed, the less your pain receptors work; the less your pain receptors work, you die very quickly. Through deep understanding of these flows, characters in The Elder Scrolls V: Skyrim and its expansions harness unique powers called Auras and utilize many different forms to overcome overwhelming odds. + Explore a Rich and Fulfilling Story Travel with Tamriel's most accomplished Dragonborn, a mysterious exile who casts aside his past to unveil the wonders of a forgotten and mythical world. Throughout Tamriel, you will come across other characters whose stories lead you to unexpected places. Through their stories, you may find yourself in unfamiliar lands and delve further into the history of the World and the Elder Scrolls lore.

Thieves' Dream + Find the most powerful hidden treasures in Skyrim and Tamriel. Get to them first in pursuit of fame and fortune. + Strange, Forgotten Soul and Spirit Seek secret places and moral quandaries in the Vampire-infested valleys and towns of Skyrim and other lands. + Adventure in 5 Unique and Challenging Quests A fully-featured quest system that allows you to have your own goals, goals you are free to pursue in any order; the quest system offers users a wide range of possibilities for beginning and advanced players alike, allowing them to choose from over 30 quests and fill their journey with exciting and meaningful challenges. Players can create their own quests in the quest editor: a quest is defined by its objective, items and NPCs needed to complete it, plus the opportunity to add optional and branching branches.
