
this page of this website. Below you can find my opinion of the game: 1. You are "the chosen one" and this game is your second part of life. 2. Your soul is stronger than you think. 3. It's only dark but not as dark as it can get. 4. Don't forget to die once or twice before you die. 5. You will get a lot of experience when you die. 6. Your health regenerates slowly, but not slow as compared to other games with a much more interesting lore. 7. Your weapon changes every level. 8. You will level up more when you die. 9. You can become very strong when you first start the game but also lose it over time. 10. If you reach a checkpoint or warp you will lose all the experience you gained on that chapter in the whole game. 11. If you die you lose a lot of time and money. 12. The game is a work of art. 13. Prepare to die a lot. 14. I will be glad if you come back and tell me what you think. 15. It is a very impressive game for many people. I have an important question for you: Why do you think we could not find a YouTube video with Dark Souls gameplay? And also a question for you: What are your thoughts about the anime? Big suerkdfge weil Dark Souls is a game that came out in 2011 and
