This document provides an overview of the RealPresence Desktop . Conference phones, realpresence desktop, simple conference phone, review .Mr. Scott's car was hit by gunfire. The front-seat passenger died and Mr. Scott was struck by bullets in the back of the head. Investigators found a .22-caliber pistol wrapped in a gray plastic bag and a plastic garbage bag that had been blown off Mr. Scott's hood. And they heard an exchange of gunfire somewhere in the house, one of the detectives said. The officers later found the bag, which contained a second .22-caliber shell casing. About the same time, two more gunshots were heard by officers who were in a patrol car near the train station. Detective Angela Scott, who was not related to either officer, was driving and was able to see the shooter, who she said was wearing a ball cap with the word "Banks" written on it. Ms. Scott said she later drove up to the house to try to find out more details and saw a car with a smashed window, in which she said she believed the shooter was sitting. That car was found

several days later with a bullet hole, she said. Mr. Scott's car was impounded. Inside, the officers found bullets that matched those that were recovered from the house, Ms. Scott said. The officers said they heard a shot just before they entered the house. There were no signs of forced
