Elden Ring is an action RPG game that plays with the fantasy themes typical of the JRPG genre of games. In the game, you will create a hero named Tarnished and complete the story with up to three other characters. The game is designed to seamlessly connect the features of the JRPG genre and the features of the action RPG genre. Our game features a world in which the battle is experienced as one giant VR. In the game, you will create a hero named Tarnished, in a world constructed by extraordinary art designed by Japanese artist Katsumi Akao. Tarnished, once known as a powerful hero, is sent on a journey through the Lands Between, a magical world connected to the real world, to protect the world from the appearance of an ominous enemy. And along the way, the hero meets a number of strange and wonderful people. Gameplay - Create your own character: The game allows you to freely combine the weapons, armor, and magic that you equip. Use items to increase your muscle strength to become a strong warrior. Or become able to use magic. - A vast world: A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. - The world has been expanded: The world was previously an original world with over 30 dungeons. The effect of expanding is that we were able to make more room. Also, the world has many battles and quests, and there is more to see. - An epic drama born from a myth: In addition to a story with a number of main quests, there are various items that enable you to create your own plot. By acquiring items with complex plots, you will be able to create your own story. In the game, you will also directly connect with other players through the online element. Features Online element: A feeling that the game is being played through a VR headset Offline mode: You can play the game and enjoy it in offline mode, without being connected to the internet. And you can enjoy the music and text, just as if you were playing in offline mode. We plan to release the game for a wide variety of mobile devices. \*In addition, we are working on games not only for smartphones, but for devices such as TVs and PCs. - Directly connect with other players: There is no difference

#### Features Key:

Item Crafting & Combination System In addition to equipping items that have been crafted, upgrade them with Ether and combine them to craft new items of superior quality. Participating in other people's item crafting and combining processes offers a welcome bonus to further improve your item.  
Find, Equip and Customize as You Wish Item crafting, etc. are all accomplished only in certain areas. Instead of being confined to a specific area, you can freely explore the game world and carry around the items that you would like to craft, equip or combine.  
Combat Experience Gained with the Taunting of Enemies In addition to having a direct impact on enemy attributes, achievements and equipment, performing taunts on enemy units also causes your own attributes to be increased.  
An Epic Combat Variety in the Lands Between In the game's field of vision and the surrounding areas, identify the actions of enemies before they act, set your strategies with the help of a detailed card, deploy your taunted units, and demolish them all while being in your element. Enjoy a wide variety of combat where the outcomes can be different depending on which of your characters performs actions.  
Completion of Other Players' Quests Other players can share their achievements with you to get more enjoyment. When your achievements match up to another player's, they will exchange items or money - your extra rewards for the journey. Don't forget to accept requests from other players to provide them with valuable items.  
Start a New Advancement while Exploring During your long hunting trips, even if your experience level is low, you will be able to advance to a higher level. The exploration route will change depending on the item that you equip, and you can progress as you please.  
Epic Boss Battles Battle against the giant monsters, gigantic ferocious beasts, and other powerful bosses - the battle that takes a world, a revolution, and your life... THIS is the end, you say? You're simply humans in this world, so you can experience the thrills and excitement of being on the brink of annihilation... LEVEL UP & Be Led by Grace Each time you are on a quest, you will receive an item to Level up.

I have played the Battle Royale, and Finished the story, but I am Still Waiting for the Second,Final Chapter. So, it's a story that is an Adventure story, but the Battle Royale part was not finished yet. Please finish it! I think if the developers are not able to finish it, It would be a big loss to them, because it was an enjoyable battle Royal battle. This is the last battle, I hope that the next chapter comes out as soon as possible. This is my Comment about the Battle Royale, this game is not over! is a new RPG Game, and there were Great Pictures. To add more pics, I will add more comments. The Battle Royale is a seven part story, and each of the battles has a fascinating story that is only revealed through the images. The point of the game is not actually to collect large amounts of loot, but to collect artifacts bff6bb2d33

Features: Features of the game: **BACKGROUND** The Lands Between (LB), which is written in a language that few people can understand, is a land of legend, where the gods and spirits once thrived. It was here, in the age of wonders, that a new age of power was born. The religion known as “The Holy Cloud” was founded and spread across the world. Two great cities—Heiropolis and Velen—were built in the age of wonders. They were center of the Holy Cloud, the cult that unified the lands. **Heiropolis City** A vast city with an even larger war-torn city in the center. It is a mysterious city that radiates the essence of magic. It lies on the border between the lands of the gods and the lands of the monsters. **ValenCity** A city known as “The Land of the Purple Palace.” It is a city of knights of courage and magic. And it is the largest city in the world. It is the capital of the Holy Cloud Kingdom. **Abyss** A land where the trees lost their names. It is the homeland of monsters. Deep in the heart of this land lies the 'Abyss' - a mysterious land where magic and monsters are born. **POLYGON** The Polygon refers to “the hour of death.” It is a region over the Abyss where monsters of all kinds reside. It is the domain of death, the land where each and every creature eventually meets its end. **EXTREME NECROPOLIS** Extreme Necropolis is a popular place where the depraved humans go to celebrate the death of their deceased loved ones, and go to black magic. It is at its largest in the Valken Plains. The place where the dead never rest. **VOLKHEIM** Volkheim is a large land in the Western Lands Between where you can find a large number of monsters, while being far from the lands of the gods and monsters. **ZONE BLACK** Zone Black is a small village in the heart of Valken Plains. It is a village of farmers and hunters. Sometimes, wild animals and monsters appear, but it is a relatively peaceful place. The most powerful place in the land. **KOLB** Kolb is a small village near ZONE BLACK, where you
