Raubritter is a great game for all who are looking for their first true simulator game. Do you want to enter the circle of life, but fear the harsh reality and even of all the death around you? Do you want to experience a role-play game, but wish the game has a good story and even enjoyable characters? Raubritter is for you. Raubritter is a great game for all who are looking for their first true simulator game. Release Date: 7/10/2012 Developer: Dead Goblin Studios Format: Native Windows PC, Mac OS X 10.6, and Mac OS X 10.7 Double Dragon: The Beloved Sorrow - is available in digital format only Double Dragon: The Beloved Sorrow - Double Dragon: The Beloved Sorrow, the sequel to Double Dragon: Ancient Hero, is available in digital format only. This game is set in a fictional Japanese-style medieval-era, where only women fight. This puts many people off, but the game isn't really a fighting game, instead it focuses on the story and the drama that unfolds in the game. It's been 10 years since the legendary Double Dragon was set free from its curse. Ten years ago, the Dragon Warrior was born and became a legend, but soon after, it was taken away by none other than Gao Wang. An aspiring future leader who has a burning desire for power and knowledge, Gao Wang is determined to destroy the Dragon Warrior. Double Dragon: The Beloved Sorrow gives you a glimpse into Gao Wang's new world, where only women are capable of fighting. Due to the huge demand for Double Dragon: The Beloved Sorrow, you are advised to plan your order accordingly. Do your best not to miss the opportunity to get your hands on it. How to download your order? Once your order is complete, you will receive a confirmation email with the details of your order. You can download the digital version of your order by logging into your DAZ account (or subscribing to DAZ Premium) and clicking on My Orders in your inventory. Please note that if your order is partially complete, you can not download the remaining parts of your order. Please wait for your order to be completely complete before trying to download your order. How to keep your order safe? You can keep your DAZ file safe by saving it on your own computer. DAZ Vault will open and ask you to save

#### What's new:

The goblins have been looking for a treasure for millennia, as a great number of people and royal treasures have been taken over that time from the Kingdom of Meru. But those who find it may have to seek their own path to saving all the lands of legends. Set against the backdrop of historical adventure, create and equip land armies from around the western kingdom of Meru, make your way through the Goblin-infested forests of Anath. Choose your path Standard PvE mode March forward and explore, through the tangle of forests, your way to the elfin capital. Be prepared to face great challenges on your journey. PvP mode Use all terrain types to emerge victorious on the battlefields where goblin armies plot to take control of Meru. Free2Play Create a land army from today's 88 fighters to then fight for victory on the battlefields of Anath. Recruit mercenaries Choose from among 89 infamous fighters and unleash the might of your new army! They will not be alone on their way to the goblin treasure. Expand your lands! Country Expansion Confirmed Next patch (after Vol. VII) we will implement new continent "Country Expansion", it is the biggest and most important feature for us since launch. Although it is unlikely for us to release in the current release, as we are still busy patching and planning, you can consider the new continent as the pre-patch! Overview of this new continent: New Continent 1 Continent Desert Terrain? 50 Countries in this Continent Previous Continent unchanged Total number of Counties above 1000 1 Continent Only - no split in current expansion / no concurrent release with new expansion / no new houses We will gradually expand the number of countries on this continent as our patching is completed. Once each country has been live for over 60 days, it will be merged into the united continent. \* The number of countries is not guaranteed. More countries may be split off as more housing becomes available. The Spanish Privateer is set in a Caribbean called the Tres Santos at the beginning of the 18th century. After being abandoned by its crew, the ship has been left to itself for years. At this time, monsters of all shapes, sizes, and natures begin to show up in a sudden surge. And in the midst of the chaos, a girl named Marjorie Foxen appears. In a world where different monsters seem to appear out of nowhere, Marjorie uses her sharp wit and skills to slay the monsters and rescue the ship. A true brawler, this game has a fast, fun and easy to use combat system, as well as encounters where you have to be able to think quickly and take advantage of every situation to become a true privateer. With a simple control scheme, the game is very easy to play. But it also has plenty of modes so you can play the game for a decent time. The pleasure of every adventure we propose will make you want to play, period. This theme has been created with the aim of bringing you an experience equivalent to the original version of the game. It is specially designed to meet the requirements of the most demanding players, providing an opportunity to enjoy the fun we had on the 80's and experience the game without any difficulties. Each release will contain a new mode of play, new costumes, new weapons and new enemies with the capacity to offer a new and unprecedented variety of gameplay and entertaining content. The Spanish Privateer Official Demo v1.0 released in 10/12/2011 contains 10 different modes of play. Including the "Original Mode", the mode with the best graphics and the mode for those who have enjoyed the 1980's version of the game. Pre-Ordering: The Spanish Privateer Official Demo v1.0 will be available for pre-order and will have a limited number of copies available before the release date. You can also pre-order this demo from www.gamejolt.com! Depending on the countries you live in, you may need to download an update from here! Note: If you are requesting a demo from your country's store, we request that you follow the store's instructions for the demo download. If you cannot download the demos, email us at: Hi, sorry for the late update. We wanted to do an official Demo before the official
