Adobe Creative Suite 5.5 Web Premium.The American Psychological Association has never been a fan of President Donald Trump, and now it's pushing for psychologists to speak out against him. In a statement issued on the final day of the group's annual convention in San Francisco, the APA declared that "the health and safety of the individual, his or her family, and society" demands that psychologists stand up for the country's "diversity, inclusiveness, and acceptance." "If you are a psychologist, the president must be a priority for your research and practice," the statement says.

This is the third time in a matter of weeks that the APA has issued a statement in response 6d1f23a050
