Some consider it

like an extra food in their diet. Some don't know what to do with it. Some don't even realize they know what it is. But I believe that the term, "Hindi," is special. It is considered one of the world's most beautiful languages. Hindi is wonderful and I love all of my Hindi friends. They are so sweet and fun to be around. Watching

them can make me laugh, cry, and have the best time of my life. I especially love speaking the language. Sometimes I can learn some words from movies and get a sense of what the meaning might be in English. I love hearing the way they speak, reading the books they use, and watching the movies they like. I even

want to study Hindi one
day. I love learning about
other cultures
