Articulate Storyline is available for free and weãïïve.DreamHack Masters Marseille made its kick-off on Wednesday at 10:00pm CET / 9:00pm EST and the event is just as exciting as it has been expected. A group of contenders await the groupstage, but some older names of the CS:GO scene will make an appearance as well. This means that the start of the event has an intense battle on the focus. With the event starting, most people have yet to be shocked with the group that DreamHack chose to put certain teams in. The group will have four of the 16 teams from the DreamHack Winter regular season and it promises to be a good one with teams such as Astralis, Cloud9, mousesports, North and Virtus.pro all in the same group. Group A has a similar setup, but with the addition of FaZe Clan which replaces OpTic Gaming. The other teams in this group are Vega Squadron, Immortals and FUR
