Wow! What an incredible moment! Your Art Journaling session has begun. I want to hear about your initial reactions to the exercise that we have just begun. I can see the page as I type, but I cannot know what you are feeling. What you see on this page is only the result of your creative thoughts and inner musings. It is still in process. It is about to become yours. The urge to begin a "Love Affair With Travel." is strong for you. That is my sign that you need to stay and journal this exercise, because there is something in your heart that needs to be shared. There is a love to be found that is about to be expressed. This is your opportunity to hold it in your heart and tell the world. Are you ready? This is the first step in letting go of something old in order to begin creating something new. This page is full of texture, color and design that will undoubtedly express your love of travel. I urge you to pay attention to every detail and I ask you to let it be yours. You have the ability to create something that is absolutely unique to you and this will be your gift to the world. You did it! I am honored that you are ready to begin sharing this gift. You have a little over two months before my mentoring session begins. What will you be writing about? It's really bad that I know nothing about you except what you have told
