I think I'm going to do that more often until I get used to the new schedule. Something about it feels like a good challenge to me. I have a question about my new alarm clock. The clock woke me up as I set it at 5AM. After sleeping for an hour it turned off. So I just rolled over and fell back to sleep, then I slept for five more hours and just went to bed. I just want to know if this is normal? Is it a bug? My alarm hadn't been used in a while so I figured it hadn't been that reliable. I have a question about my new alarm clock.
