Lou Lou College Girl Crumpet! This week I'm once again scouring the streets of London looking for fresh meat for you all to bite into. I'm tracking down a new victim. My eyes, like beads, dig into the girls passing by. But they don't interest me. I'm looking for a college girl. Not tall and not small. Not blonde or brunette. And I don't red. I'm looking for something in between. Her name is Louise and she has a small black purse with a silver clasp. Louise has everything a man could want. Unfortunately, she doesn't have anything that I need. I don't want her to be rich. Rich girls are too arrogant.
