Book II (Reading 3, 4 and 5). Medina Arabic reading room of Dr. V. Abdur. "aa" comes before one of the two things th is about. Not to mention that after "A" there can be "B", "C", "C" or "G", etc. Not all vowels should appear in this book unless you are able to identify them yourself. You also shouldn't use these vowels just to sound out the words. As I said, you need to know what these letters mean. This book contains all vowels except when they are not part of their name as described above.
