November 9, 2010 - ... other versions of Bike Cad Pro, but this was for some open source program. A Google search seems to turn up free download torrent sites. I would like to use the program, but it seems to include all the features I need. I would like to be able to download and install the program instead of buying a Bike Cad Pro license. How can I install this program on my computer? ANSWER: If you are not going to buy this program, you will not be able to install it on your computer. Sincerely, Doug. PS. I looked for programs that worked on Windows XP, but
