Aug 14, 2007 - Dungeon Siege 2: Renown  
Chance ReadMe. Name of mod:  
RenownChance. Author(s): guru ... Doesn't  
play well with other mods that modify item  
dropdown. If you like role-playing games,  
then don't pass it by. This is an RPG in the  
style of fantasy, which will appeal to all  
fans of the genre. What the game is about:  
Dungeon Siege is not a simple RPG. It is a  
game where characters do not behave the  
way they usually do in games like this -  
they do not just search for treasure, but,

---

for example, explore dungeons, look for the way to the surface, get food, fight with monsters. It is very unusual. Plot: You are a warrior, and your task is to protect your king from hordes of dark forces. To do this, you will have to gather all your forces and destroy the evil that is tearing its way to the throne. There are a lot of enemies in the game, and you will have to try very hard not to let them break through to your ruler. You will have to solve a lot of different puzzles and riddles. You will be collecting various artifacts to help yourself in your task. When you manage to destroy all the enemies, you will get the title of a hero, and you can go on a real flight.
