Nice to meet you! I am trying to download VirtualDeveloper from your website. After I click on the Download link, I get a blank screen, and a message appears on the webpage: "unable to load this page" I am using the latest version of Chrome. The download link is: "https://www.virtualdeveloper.com/index.php?modules=download" Regards, Buz Hi, thanks for interest I download the exe and unziped it as the document said it is. I tried to install it on my home laptop, Windows 8.1, but got an error "Failed to start virtual developer.exe. Is this version supported?" I try again on my office laptop, Windows 7, and same error. Hello sir, Great job you do here! I have downloaded GX-developer and successfully unzipped it. However, I cant install it on a XP virtual machine running on virtualbox (latest) under Ubuntu 20.04LTS. The install program opens and quit immediately with no error message and nothing in events log. Other than that, I run several softwares on that XP machine with no problem. Can you help TIA share this: like this: like loading.. posted in plc program free mitsubishi plc software download mitsubishi plc programming software mitsubishi plc software post navigation previousplc five programminglanguages next what is the scan cycle of theplc one thought on mitsubishi plc programming softwarewiki jae kirbie says: 07/11/2020 at 07:00 dont forget to register to add to round table. mitsubishi plc software 5ec8ef588b
