Road Rash is a motorcycle racing game that was first released in 1991. Its mechanics involve staying on the same horizontal track, swerving only to the left or right to get ahead of your opponents. As the game progresses, you are going to encounter hazardous obstacles, which you can use to your advantage by launching yourself ahead to the finish line. You can also get physical with your opponents, since you'll be able to punch or kick

them in order to cause them to crash. You can also make use of the terrain to your advantage by travelling over various obstacles, or launching yourself across a ramp to get past your opponents.
