the novel is divided into ten chapters, which begin with swaminathans school lessons, and ends with swaminathans wedding. although the novel focuses on swaminathans childhood and the first part of his adolescence, many of the characters are adults at the beginning of the novel, and many of the incidents from the early chapters have a much greater significance by the time the novel concludes. for example, kamala, swaminathans maternal grandmother, who tells the story to swami, is an old woman who has lived through the entire partition of india. the meaning and the central importance of cricket to the novel is not at all clear at first glance. the novel begins with swami and his friends playing cricket after school, and they seem to enjoy themselves very much, but in chapter 10, the two boys try to enter a soccer match that the rival school is playing against them and it quickly becomes apparent that cricket is actually the more important game. the protagonists are even called up to take the field for the cricket team, and the importance of cricket becomes so great that the film producers actually offer to pay the school to play a cricket match on the same day as the soccer match in

order to get the school to agree to help them film swaminathans family. when the novel begins, swaminathan is a typical schoolboy who is easily swept up in the plans and enthusiasms of others, and much of the plot revolves around the attempts of his friends to bring him down. swaminathans naivities are the most obvious and the most humorous, with the story following a typical fairy tale arc in which the hero is usually a bit slow to understand and slightly naive. swaminathans friends express their excitement at his return to school with extravagant, childish plans for the day, but swaminathans reaction to their enthusiasm is a little more reserved. swaminathans lack of preparation and his reluctance to follow through on the plans and enthusiasms of others indicate the lack of maturity that swaminathan is lacking at the beginning of the novel.

Swami And Friends Book Pdf Download
