Follow me on Twitter: twitter.com/IvonaTts My name is Ivona, and I'm a native English speaker. Ivona is a free text-to-speech engine. You can download the free Ivona US English voices (see below) on . I've used Ivona to create a number of releases that work with 64-bit Windows 7. For example, I wrote an ebook for Windows 8.1 on how to use the new features in.
